# Introduction

## Logistics Solutions to Help Businesses from End to End

In our commercial life, which we started with the brand of Barket Salah, we aim to provide you with the best service at affordable costs by performing all your sea, rail, road and air transports in the field of import and export with our wide agency network. We continue to grow with our Gaziantep Headquarters in Turkey, our Mersin, Iskenderun and Erzurum branches, our experienced and professional employees in our China Ningbo and Netherlands Bergen op zoom branches abroad, and our partners in hundreds of countries. Barket Salah works to reach you with the slogan of "**We are your cargo**" in all logistics requirements of your foreign trade transactions. We are taking firm steps forward on the way we set out in order to continue our corporate business partnerships sincerely and smoothly in the future, as in the past years. Entrust your load to us and have peace of mind. OUR ETHICS UNDERSTANDING **Barket Salah** continues its activities in line with the rules of Business Ethics with its managers and employees, service providers and all solution partners serving in all fields it provides services. Our managers and employees carry out their activities with our business partners, service providers and customer companies through respectful, clear and understandable verbal and written communication. During its commercial activities, it does not share any commercial information and private shares of all cooperating organizations with third parties by considering it "**confidential**".

# OUR PRINCIPLES

We are a company that produces quality services: We improve the services we offer to our customers without compromising quality standards. We are customer-oriented: We offer customer-oriented solutions with the philosophy that the success of our customers will be our success, and we constantly improve the logistics processes. We are a company that develops team spirit: We know that our biggest source of success in our business is our experience and the coordination between our experienced employees. In order to perpetuate this success, we develop our employees through trainings. We are fast in product supply and distribution: We know that our main job is to make the product ready on time and at the specified place. We have an honest and principled service approach: Ensuring the confidentiality of information about our customers in all our works is one of our basic principles.

# Mission

To be a company that creates value for our employees and customers, as one of the leading companies in the sector, with the reliability we provide with our services and solutions and our high business ethics.

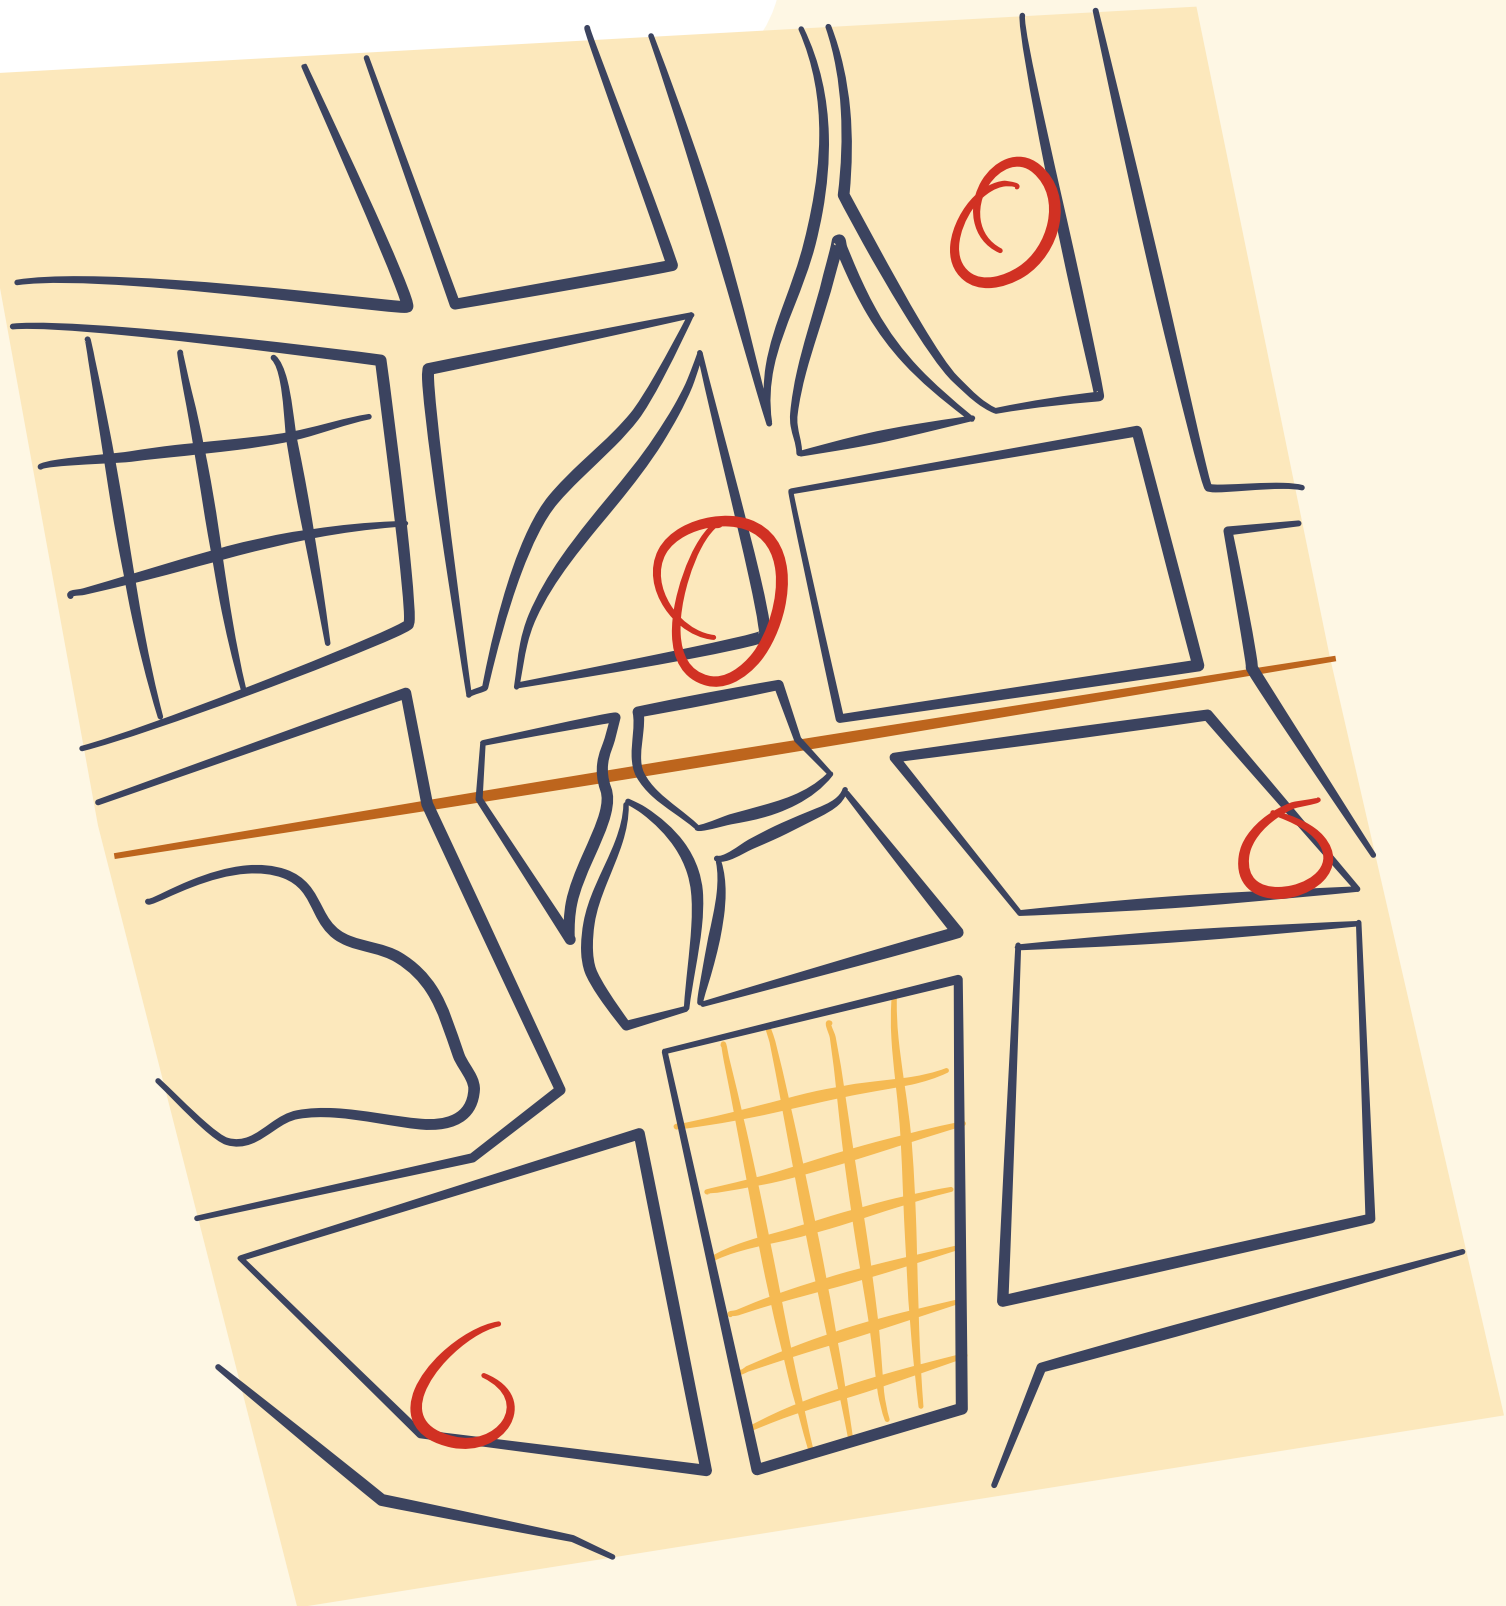

# Vision

# ***We provide shipping services across the world***

Ocean transport is the best alternative for transporting large amounts of freight at competitive prices. At Moovit we provide a service of ocean freight in containers adapted to the needs of your shipment. We work with a variety of shipping companies and charter all or part of ships for transporting any type of material. Besides, we'll help you to choose the best transport option for your goods.

Our non-asset based Road network provides you with flexibility, improved service levels, accelerated delivery, reduced direct and indirect costs and much less.

# ***We provide shipping services across the world***

Ship your cargo with the confidence that comes from using an integrated carrier with over 30 years ocean freight and vessel experience.

We are experienced in handling the formalities and documentation required for your imports and exports to ensure that they circulate freely and arrive at their destination. We work with all international ports to guarantee that your load will safely reach any part of the world by sea, with neither delays nor mishaps.

## ***Our Geographic Reach***

- Logistics ground in Asia Pacific
- Logistics ground in South America
- Transportation across Europe
- Transportation to Australia

# Why Moovit Service

We provide an independent advice and identifying the right fit for you. Services are sourced and procured based on solution specifications provided by our Supply Chain Solution.

Our teams work around the clock, 365 days a year, to take care of any unexpected circumstances in which speed is a top priority. We offer a variety of ways to reduce transit times, coordinate and arrange immediate deliveries in the shortest time possible, ideal for both regular and single shipments.
